

Files Contained in Bangladesh Integrated Household Survey (BIHS) 2011-2012 Dataset

Table 1: Household Data

Filename	Description
001_mod_a_male.dta	This file contains data for “Module A: Sample Household Identification” from the BIHS questionnaire for the households interviewed by male enumerators
002_mod_a_female.dta	This file contains data for “Module A: Sample Household Identification” from the BIHS questionnaire for the households interviewed by female enumerators.
003_mod_b1_male.dta	This file contains data for “Module B1: Household Composition” from the BIHS questionnaire for the households interviewed by male enumerators.
004_mod_b2_male.dta	This file contains data for “Module B2: Education” from the BIHS questionnaire for the households interviewed by male enumerators.
005_mod_c_male.dta	This file contains data for “Module C: Employment” from the BIHS questionnaire for the households interviewed by male enumerators.
006_mod_d1_male.dta	This file contains data for “Module D1: Current Household Assets” from the BIHS questionnaire for the households interviewed by male enumerators.
007_mod_d2_male.dta	This file contains data for “Module D2: Agricultural Implements and Other Productive Assets” from the BIHS questionnaire for the households interviewed by male enumerators.
008_mod_e_male.dta	This file contains data for “Module E: Savings” from the BIHS questionnaire for the households interviewed by male enumerators.
009_mod_f_male.dta	This file contains data for “Module F: Loans” from the BIHS questionnaire for the households interviewed by male enumerators.
010_mod_g_male.dta	This file contains data for “Module G: Roster of Land and Pond/Water Bodies Owned or Under Operation” from the BIHS questionnaire for the households interviewed by male enumerators.
011_mod_h1_male.dta	This file contains data for “Module H1: Agricultural Plot Utilization” from the BIHS questionnaire for the households interviewed by male enumerators.
012_mod_h2_male.dta	This file contains data for “Module H2: Irrigation Method and Harvest” from the BIHS questionnaire for the households interviewed by male enumerators.
013_mod_h3_male.dta	This file contains data for “Module H3: Usage of Agricultural Chemicals, Fertilizers and Pesticides” from the BIHS questionnaire for the households interviewed by male enumerators.
014_mod_h4_male.dta	This file contains data for “Module H4: Rental Costs of Tools,

	Machinery and Draft Animals” from the BIHS questionnaire for the households interviewed by male enumerators.
015_mod_h5_male.dta	This file contains data for “Module H5: Labor Used by Gender for Crop Plantation and Harvesting” from the BIHS questionnaire for the households interviewed by male enumerators.
016_mod_h6_male.dta	This file contains data for “Module H6: Post Harvest Labor, Animal and Tools/Machinery Usage” from the BIHS questionnaire for the households interviewed by male enumerators.
017_mod_h7_male.dta	This file contains data for “Module H7: Fertilizer, Seed, and Pesticides Price in Different Crop Seasons” from the BIHS questionnaire for the households interviewed by male enumerators.
018_mod_h8_male.dta	This file contains data for “Module H8: Location of Purchase/Rent of Animals, Tool/Machineries, Agricultural Labor, Fertilizer, Pesticides” from the BIHS questionnaire for the households interviewed by male enumerators.
019_mod_i1_male.dta	This file contains data for “Module I1: Summary of Agriculture Production (Crops, Fruits and Vegetables)” from the BIHS questionnaire for the households interviewed by male enumerators.
020_mod_i2_male.dta	This file contains data for “Module I2: Food Grain Stock and Storage Capacity” from the BIHS questionnaire for the households interviewed by male enumerators.
021_mod_j1_male.dta	This file contains data for “Module J1: Access to Agriculture Extension Services” from the BIHS questionnaire for the households interviewed by male enumerators.
022_mod_j2_male.dta	This file contains data for “Module J2: Government Agriculture Input Subsidy Card Related Information” from the BIHS questionnaire for the households interviewed by male enumerators.
023_mod_k1_male.dta	This file contains data for “Module K1: Livestock and Poultry” from the BIHS questionnaire for the households interviewed by male enumerators.
024_mod_k2_male.dta	This file contains data for “Module D2: Agricultural Implements and Other Productive Assets” from the BIHS questionnaire for the households interviewed by male enumerators.
025_mod_k3_male.dta	This file contains data for “Module K3: Expenditure for Livestock and Poultry Production” from the BIHS questionnaire for the households interviewed by male enumerators.
026_mod_l1_male.dta	This file contains data for “Module L1: Fish/Shrimp” from the BIHS questionnaire for the households interviewed by male enumerators.
027_mod_l2_male.dta	This file contains data for “Module L2: Fish/Shrimp Pond Production and Inputs” from the BIHS questionnaire for the households interviewed by male enumerators.
028_mod_m1_male.dta	This file contains data for “Module M1: Marketing of Paddy, Rice, Banana, Mango, and Potato” from the BIHS questionnaire for the

	households interviewed by male enumerators.
029_mod_m2_male.dta	This file contains data for “Module M2: Marketing of Livestock, Jute, Wheat, Pulses, Fish, Fruits, Vegetables etc.” from the BIHS questionnaire for the households interviewed by male enumerators.
030_mod_n_male.dta	This file contains data for “Module N: Non-Agricultural Enterprises” from the BIHS questionnaire for the households interviewed by male enumerators.
031_mod_o1_female.dta	This file contains data for “Module O1: Non-Agricultural Enterprises” from the BIHS questionnaire for the households interviewed by female enumerators.
032_mod_o2_female.dta	This file contains data for “Module O2: Household Food Inventory on the Day of Survey” from the BIHS questionnaire for the households interviewed by female enumerators.
033_mod_p1_male.dta	This file contains data for “Module P1: Non-Food Expenditure Monthly Recall” from the BIHS questionnaire for the households interviewed by male enumerators.
034_mod_p2_male.dta	This file contains data for “Module P2: Non-Food Expenditure Annual Recall” from the BIHS questionnaire for the households interviewed by male enumerators.
035_mod_q_male.dta	This file contains data for “Module Q: Housing” from the BIHS questionnaire for the households interviewed by male enumerators.
036_mod_r_male.dta	This file contains data for “Module P2: Non-Food Expenditure Annual Recall” from the BIHS questionnaire for the households interviewed by male enumerators.
037_mod_s_male.dta	This file contains data for “Module S: Access to Facilities” from the BIHS questionnaire for the households interviewed by male enumerators.
038_mod_t1_male.dta	This file contains data for “Module T1: Negative Shocks” from the BIHS questionnaire for the households interviewed by male enumerators.
039_mod_t2_male.dta	This file contains data for “Module T2: Positive Economic Events” from the BIHS questionnaire for the households interviewed by male enumerators.
040_mod_u_male.dta	This file contains data for “Module U: Participation in Social Safety Net Programs” from the BIHS questionnaire for the households interviewed by male enumerators.
041_mod_v1_male.dta	This file contains data for “Module V1: Profile of Current Migrants (Domestic and International)” from the BIHS questionnaire for the households interviewed by male enumerators.
042_mod_v2_male.dta	This file contains data for “Module V2: Remittance In” from the BIHS questionnaire for the households interviewed by male enumerators.
043_mod_v3_male.dta	This file contains data for “Module V3: Remittance Out” from the BIHS questionnaire for the households interviewed by male enumerators.

044_mod_v4_male.dta	This file contains data for “Module V4: Other Income Household” from the BIHS questionnaire for the households interviewed by male enumerators.
045_mod_w1_female.dta	This file contains data for “Module W1: Anthropometry” from the BIHS questionnaire for the households interviewed by female enumerators.
046_mod_w2_female.dta	This file contains data for “Module W2: Anthropometry-Children” from the BIHS questionnaire for the households interviewed by female enumerators.
047_mod_w3_female.dta	This file contains data for “Module W3: Health” from the BIHS questionnaire for the households interviewed by female enumerators.
048_mod_w4_female.dta	This file contains data for “Module W4: Illness” from the BIHS questionnaire for the households interviewed by female enumerators.
049_mod_x1_female.dta	This file contains data for “Module X1: Household Food Consumption” from the BIHS questionnaire for the households interviewed by female enumerators.
050_mod_x2_female.dta	This file contains data for “Module X2: Intra-Household Food Distribution” from the BIHS questionnaire for the households interviewed by female enumerators.
051_mod_x3_female.dta	This file contains data for “Module X3: Household Food Security” from the BIHS questionnaire for the households interviewed by female enumerators.
052_mod_y1_female.dta	This file contains data for “Module Y1: Infant and Young Child Feeding (IYCF) Practices and Use of Micronutrients” from the BIHS questionnaire for the households interviewed by female enumerators.
053_mod_y2_female.dta	This file contains data for “Module Y2: Nutrition Knowledge of Respondent Mothers” from the BIHS questionnaire for the households interviewed by female enumerators.
054_mod_y3_female.dta	This file contains data for “Module Y3: Awareness-Trial-Adoption of Sentinel Practices” from the BIHS questionnaire for the households interviewed by female enumerators.
055_mod_y4_female.dta	This file contains data for “Module Y4: Immunization and Health Status of Young Children (<2 Years)” from the BIHS questionnaire for the households interviewed by female enumerators.
056_mod_y5_female.dta	This file contains data for “Module Y5: Nutrition Related Prenatal Care During Pregnancy with the Youngest Child” from the BIHS questionnaire for the households interviewed by female enumerators.
057_mod_y6_female.dta	This file contains data for “Module Y6: Access to Community Nutrition Centre (CNC) and Use of NNP Services for Children <2 Years” from the BIHS questionnaire for the households interviewed by female enumerators.
058_mod_y7_female.dta	This file contains data for “Module Y7: NNP Services Usage by Children under 2 Years of Age” from the BIHS questionnaire for the

	households interviewed by female enumerators.
059_mod_y8_female.dta	This file contains data for “Module Y8: Exposure to Nutrition Information from Health Workers and Media” from the BIHS questionnaire for the households interviewed by female enumerators.
060_mod_z1_female.dta	This file contains data for “Module Z1: Work Earnings and Expenses” from the BIHS questionnaire for the households interviewed by female enumerators.
061_mod_z2_female.dta	This file contains data for “Module Z2: Mobility” from the BIHS questionnaire for the households interviewed by female enumerators.
062_mod_z3_female.dta	This file contains data for “Module Z3: Reproductive Decisions” from the BIHS questionnaire for the households interviewed by female enumerators.
063_mod_z4_female.dta	This file contains data for “Module Z4: Domestic Violence, Abuse and Threats” from the BIHS questionnaire for the households interviewed by female enumerators.
064_mod_z5_female.dta	This file contains data for “Module Z5: Wife’s Assets that had been brought to Marriage” from the BIHS questionnaire for the households interviewed by female enumerators.
065_mod_weai_wa_male.dta	This file contains data for “Module WA: Individual Identification” from the BIHS questionnaire for the household members interviewed by male enumerators.
066_mod_weai_wa_female.dta	This file contains data for “Module WA: Individual Identification” from the BIHS questionnaire for the household members interviewed by female enumerators.
067_mod_weai_wb_male.dta	This file contains data for “Module WB: Dimension 1- Role in Household Decision-Making Around Production and Income Generation” from the BIHS questionnaire for the household members interviewed by male enumerators.
068_mod_weai_wb_female.dta	This file contains data for “Module WB: Dimension 1- Role in Household Decision-Making Around Production and Income Generation” from the BIHS questionnaire for the household members interviewed by female enumerators.
069_mod_weai_wc_male.dta	This file contains data for “Module WC: Dimension 2- Access to Productive Capital” from the BIHS questionnaire for the household members interviewed by male enumerators.
070_mod_weai_wc_female.dta	This file contains data for “Module WC: Dimension 2- Access to Productive Capital” from the BIHS questionnaire for the household members interviewed by female enumerators.
071_mod_weai_wd_male.dta	This file contains data for “Module WD: Dimension 3- Income” from the BIHS questionnaire for the household members interviewed by male enumerators.
072_mod_weai_wd_female.dta	This file contains data for “Module WD: Dimension 3- Income” from the BIHS questionnaire for the household members interviewed by female enumerators.

073_mod_weai_we_male.dta	This file contains data for “Module WE: Dimension 4- Individual Leadership and Influence in the Community” from the BIHS questionnaire for the household members interviewed by male enumerators.
074_mod_weai_we_female.dta	This file contains data for “Module WE: Dimension 4- Individual Leadership and Influence in the Community” from the BIHS questionnaire for the household members interviewed by female enumerators.
075_mod_weai_wf01_male.dta	This file contains data for question 1 in “Module WF: Dimension 5- Time Allocation” from the BIHS questionnaire for the household members interviewed by male enumerators.
076_mod_weai_wf01_female.dta	This file contains data for question 1 in “Module WF: Dimension 5- Time Allocation” from the BIHS questionnaire for the household members interviewed by female enumerators.
077_mod_weai_wf02-wf11_male.dta	This file contains data for questions 2 to 11 in “Module WF: Dimension 5- Time Allocation” from the BIHS questionnaire for the household members interviewed by male enumerators.
078_mod_weai_wf02-wf11_female.dta	This file contains data for questions 2 to 11 in “Module WF: Dimension 5- Time Allocation” from the BIHS questionnaire for the household members interviewed by female enumerators.
079_mod_weai_wg_male.dta	This file contains data for “Module WG: Decision Making” from the BIHS questionnaire for the household members interviewed by male enumerators.
080_mod_weai_wg_female.dta	This file contains data for questions 2 to 11 in “Module WG: Decision Making” from the BIHS questionnaire for the household members interviewed by female enumerators.
Total number of files	80

Table 2: Community Data

Filename	Description
001_mod_ca_cb_cc_ce_community.dta	This file contains data for questions in Module CA, CB, CC and CE from the BIHS community questionnaire.
002_mod_ca08-ca011_community.dta	This file contains data for questions 8 to 11 in “Module CA: Respondent Identification” from the BIHS community questionnaire.
003_mod_cb02-cb07_community.dta	This file contains data for questions 2 to 7 in “Module CB: Infrastructure and Access to Facilities” from the BIHS community questionnaire.
004_mod_cd_community.dta	This file contains data for “Module CD: Access to Health Care and Health Facilities” from the BIHS community questionnaire.
005_mod_cf_community.dta	This file contains data for “Module CF: Education Facilities” from the BIHS community questionnaire.
006_mod_cg_community.dta	This file contains data for “Module CG: NGO Development Programs” from the BIHS community questionnaire.
007_mod_ci_community.dta	This file contains data for “Module CI: Participation in Safety

	Net Programs” from the BIHS community questionnaire.
008_mod_ck_community.dta	This file contains data for “Module CK: Wages” from the BIHS community questionnaire.
Total number of files	8

Table 3: Census Data – Feed the Future

Filename	Description
001_census_ftf.dta	This file contains data specific to feed the future program.
Total number of files	1

Table 4: Supporting Documents for Household Data

Filename	Description
001_bangladesh_ihs_questionnaire_2011-2012.pdf	This is the complete household questionnaire in English for BIHS 2011-2012.
002_bangladesh_ihs_questionnaire_male_2011-2012_bangla.pdf	This is the household questionnaire of BIHS 2011-2012 in Bangla for male enumerators.
003_bangladesh_ihs_questionnaire_female_2011-2012_bangla.pdf	This is the household questionnaire of BIHS 2011-2012 in Bangla for female enumerators.
Total number of files	3

Table 5: Supporting Documents for Community Data

Filename	Description
001_bangladesh_ihs_comm_questionnaire_2011-2012.pdf	This is the community questionnaire of BIHS 2011-2012
002_ftf_comm_comment.xls	This file includes comments for feed the future community survey.
Total number of files	2

Table 6: Report

Filename	Description
IFPRI-PRSSP_FTF Baseline-Bangladesh Profile_Draft report_16 April 2013.pdf	This is the draft report compiled based on BIHS dataset.
Total number of files	1
